

OLG eREADER USE & PERMISSION FORM

I authorize \_\_\_\_\_ to bring his/her eReader to Our Lady of the Greenwood Catholic School (OLG) with the understanding that it will be used as a tool in the classroom with his/her teacher’s permission for reading purposes only.

In signing below, I acknowledge that my student will not be permitted to use the eReader at other times during school hours, including while on class field trips and during other school sponsored events unless given permission from the supervising adult.

I understand and agree that OLG is not responsible for any damage or loss associated with my child’s eReader, nor it is responsible for any costs incurred relating to the downloading of content to the device or access to any content providers through the device. I also understand that bringing an eReader to school is a privilege and may be terminated at any time.

I further understand that this privilege is designed for educational purposes only and that a violation of this agreement may result in my child losing the privilege to bring his/her eReader to school for a length of time commensurate with the nature of the violation and/or the entire school discipline code.

I also recognize that it is impossible for OLG staff to monitor all activity on personal devices, and the student, parent, and/or guardian will not hold OLG, the school administration, the Diocese of Indianapolis, nor any individuals employed by OLG responsible for damages related to my child’s use of the eReader, or for content viewed by any student on the eReader, including via a personal internet connection.

The use of eReaders during testing is strictly prohibited. All material on the eReader and accessed on school property or during school-sponsored events must comply with the educational objectives of OLG. OLG assumes no responsibility for any data contained on any personal electronic device. OLG assumes no responsibility in any circumstances for loss, destruction, damage, theft, or charges made on monthly statements for an electronic reading device. Students will be responsible for locating any lost/stolen items and for other expenses incurred to their personal eReader accounts.

For the purpose of this agreement, an eReader is defined as a digital device with the primary function of storing books, periodicals, magazines, and other print media. A device that serves the purposes of communication, playing music or games, and also allows electronic books, would not be classified as an eReader under this agreement. OLG has the final decision on what is considered an eReader or not.
